Gemini Bakery Equipment

9990 Gantry Road

Philadelphia, PA 19115

Hi Mark,

It was great working with Frank Steve and your entire team this week.

We were really happy with the Fat results of the testing We have lots of great video to share with the team here at home.

Thank you, again, for dinner yesterday evening, and especially for going out of your way to help fix the hotel situation. Everything turned out great

Warm regards,

Karen Logue
